IN THE EVIL FOREST (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.In Eastern Nigeria, there is an Evil Forest, so named for its purpose as a burial ground for the unfortunates who have died of dreadful diseases; of leprosy and smallpox, of suicide and the misfortune of being born a twin. Its narrow labyrinthine pathways, slow moving swamps and dense bush hide a secret life known only to those who stumble upon it. A young man, David Rainer, is just such a person. In the autumn of 1966 he flies to Nigeria intent on becoming a missionary but the events of his arrival, during the Kano massacre, are so traumatic they leave him doubting the very existence of a merciful God. Distancing himself from his fellow missionaries he welcomes the friendship of a powerful chieftain, not realizing the relationship is a poisoned chalice involving him in someone else s vendetta and awakening the enmity of a treacherous adversary. Unaware of the danger he is in he becomes entangled in the conflict by falling in love with the chieftain s daughter, virtually signing his death warrant. For she is a surviving twin and the denizens of the Evil Forest know and are coming.
