

How the Rich are Destroying the Earth

By Herve Kempf

Green Books. Paperback. Book Condition: new. BRAND NEW, How the Rich are Destroying the Earth, Herve Kempf, A bestseller in France, and already translated into Spanish, Italian, Greek, and Korean, Herve Kempf's How the Rich Are Destroying the Earth now appears in its first English edition. In this important primer on the link between global ecology and the global economy, Kempf makes the following observations: First, that the planet's ecological situation is growing ever worse, despite the efforts of millions of engaged citizens around the world. And second, despite environmentalists' emphasis that 'we're all in the same boat', the world's economic elites - who continue to benefit by plundering the environment - have access to 'lifeboats' that insulate them from the resulting catastrophes. Societies have not been able to effectively combat the expanding ecological crisis because it is intimately linked to the social crisis in which the ruling form of capitalism has been organized to impede democratic initiatives. This link explains the failure to make progress against the greatest emergency of our time, because in this relationship the oligarchy plays an essential and destructive role. For this reason, solving the ecological crisis depends on disrupting the power of the world's...
