

Mapping Human Rights and Subalterns in Modern India

By Edited By Jagannatham Begari, Author Bijay Kumar Mohanti

2016. Hardcover. Book Condition: New. 306 ABOUT THE BOOK:- The book "Mapping Human Rights and Subalterns in Modern India" attempts to trace the dynamics of human rights discourse and the rights of subalterns in modern India. It critically evaluates the notion of exclusion of subalterns in modern India from the mainstream social system and the present development model. The world we live in is rapidly witnessing modernity, post modernity and globalisation and has become a global village. In contrast to this, there has also been steep rise in discrimination based on caste, class, race, gender, region, religion, ethnicity and so on. The book argues that it is not merely Indian social inequities but also globalisation and current development model have equally deprived the rights of dalits, women, tribals, minorities and so on. Therefore, the rights of marginalised sections which are enumerated in the India's Constitution are under a serious threat. The book further focusses on the plight of slum dwellers in metropolitan cities and migration of the poor from the backward regions to metropolitan cities which describes the violation of fundamental rights of subalterns in modern India. It lays emphasis on the importance of vernacular literature and writings from the grassroots level resisting the social...
