Steeplechase Arts, United States, 2013. Paperback. Book Condition: New. 274 x 213 mm. Language: English . Brand New Book ***** Print on Demand *****.Who Should Read This Book? You have a piano or keyboard and have you been watching some lesson videos on the Internet. However, you are frustrated and confused by the slow pace of your progress. Or the piano book that you have been using is tough to figure out. It describes how your fingers should play, but it s hard to see how this all works. You would like to play the piano, but you can t seem to make any headway and feel ready to give up on trying to learn. Wouldn t it be a wonderful dream to be able to play the piano. It would bring smiles to your family and friends. Learning the piano would bring great happiness and joy to your life. As a beginner piano student, what can you do? You could give up your dream and accept this disappointment. You could find a private teacher and spend thousands of dollars a year on lessons. You could keep slogging away with your trial-and-error process, looking at random instruction videos on the Internet and hope that something clicks. Or: Why not do the smart thing: Learn from a piano professor who has taught over a thousand students to play the piano over the last 25 years. In this inexpensive, interactive book and streaming video course, I will guide you to piano-playing success using the proven methods that I have developed over the last decades with my college and university students, youngsters, and adults learners. Each lesson is interactive, engaging and fun. Start Playing the Piano RIGHT NOW with The Little Piano Book! No music reading is required. With this Book and Streaming...
