The 1995 bombing of the federal building in Oklahoma City killed 168 innocent people and shattered the complacency of a nation. But this event, horrible as it was, may well be only the beginning of an unprecedented wave of terror in America. This is the chilling conclusion reached by Joel Dyer in *Harvest of Rage*, the first book to explore the surprisingly deep rural roots of today's growing and increasingly deadly antigovernment movement. As a reporter who has spent years investigating the personal and social devastation facing rural Americans, Dyer has documented the tragic, lingering aftermath of the 1980s farm crisis that we have all but forgotten. But our shattered heartland is still there, collapsing like a black hole, pulling an entire way of life down with it and distorting rural America's perceptions of economic and political reality. In its destructive wake, only the question *Why* remains. That is a hard question to answer for people who have lived right, invested all they had, and believed that the American dream would come by the sweat of their brows, only to find themselves driven to the wall by impersonal and incomprehensible forces. Some in rural America cannot overcome their deep sense of personal failure. They are ending their lives at a rate that has made suicide overtake accidents as the leading cause of death on America's farms. But others have discovered an alternative. They are drawn in by the gravitational pull of radical right-wing movements offering support, friendship, and paranoid explanations for Washington's flawed rural policies and the global economy that has crushed so many. It's the Jews, they whisper, it's the United Nations, it's the Black Helicopters. And most of all,...
