It has been around for thousands of years, and has been used by nearly every culture on every continent. There are some that are more famous for their work, such as the Far Eastern countries, but in truth it has been used all over the globe. If you have ever seen any letter or artwork with calligraphy on it, you are going to want to try it out for yourself. If you have ever given this a try on your own, it is likely that you didn t have the same results you were hoping for. It is an art that is a lot harder than it looks, and it is easy to become frustrated with it if you aren t patient or don t know what you are doing. I am going to show you how to do it properly, and help you learn how to do this ancient art. It is going to take some practice, and a bit of patients on your part, but you are going to get it if you are diligent and committed. It is not an art for those that aren t patient, or for those that don t like to take their time. Calligraphy done right is going to take you a while to learn, but it is also going to take you a...
