Brand New Book ***** Print on Demand *****.A bit more charting, a few more tests, and Andromeda would be returning home. She was just finishing her eighteen-month tour, and her crewmembers were eager to return to their loved ones. Everything was calm and in order. It had been a successful mission, and there had been no hostile encounters. It is the year 2110, and the inhabitants on the spaceship Andromeda suffer an attack. Luckily, Erin, the first officer, is a Guardian-one of the protectors of humanity. Though badly wounded, Erin and the crew make it to the nearby planet Eros V. After some convincing, the Guardians on the planet allow the Andromeda crew to land and heal from the attack. Soon, the Guardians realize a dark force caused the galactic assault. The evil, rogue Guardian Alaric, a long-time foe of Erin s dying husband Cameron, will do all he can to get his hands on the Black Histories-including kidnapping two very important members of the crew. One of those members is the ship s captain, Katherine. The Guardians of Eros V and the Andromeda must now work together to save Katherine, but it may be too late. Alaric s vast powers and manipulation have turned her from the virtuous path of a Guardian. Will Erin and the others be able to save Katherine from Alaric s evil ways? Or will Alaric get possession of the Black Histories and doom all of humanity? Find out in Deirdre Villa s The Guardians among Us.
