Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)

SACRED STONES

CICO Books, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Since the dawn of mankind, stones and rocks have been revered throughout the world. From Stonehenge in England to Uluru (Ayers Rock) in Australia, and from Easter Island to the Cte des Mgalithes in Brittany, France and Petroglyphs in Arizona, stones are regarded as sacred. You may have collected pebbles and stones that have caught your eye, picked them up, examined them, befriended them and taken them home to make treasures of them. You may have been drawn to a crystal and amazed by an ancient sacred site. Sacred Stones is a guide to discovering your personal connection to the world of stones, pebbles and crystals, all of which have an innate energy - learn how to tune into and benefit from that energy. Discover how to read the faces in stones and develop your own special relationship with individual stones and crystals. Gain pleasure from the simple exercises that enable you to use stones and crystals to benefit your health and wellbeing. Sacred Stones takes you on a personal journey of discovery leading to a deeper connection, which can benefit your wellbeing on a physical, emotional and spiritual level. * Find out how stones, pebbles and crystals can focus, store, transmit and transmute energy. * Learn practical exercises you can do both at sacred stone sites and with the pebbles in your pocket, including meditation and dowsing. * Philip Permutt's previous books have been bestsellers: The Crystal Healer (more than 55,000 copies sold); The Little Book of Crystal Tips & Cures (more than 55,000 copies sold) and The Complete Guide to Crystal Chakra Healing (more than 28,000 copies sold), and The Crystal Tarot.
