

Kavyamimamsa of Rajasekhara: Original Text in Sanskrit and Translation with Explanatory Notes

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.
(Dr. Raven Ledner)

KAVYAMIMAMSA OF RAJASEKHARA: ORIGINAL TEXT IN SANSKRIT AND TRANSLATION WITH EXPLANATORY NOTES

D.K. Printworld (P) Ltd., New Delhi, India, 2013. Softcover. Book Condition: New. First Edition. As a body, Sanskrit writings unfold Indias millennia-long, almost unbroken intellectual tradition: not only of philosophy and grammar, but of literary theory as well. The concepts and critical theories, which the Sanskrit poetics advanced or the issues they sought to address, inhere both universal appeal and validity. And, with certain modifications, these can well live up to the demands of modern literature. In this long and powerful tradition of Sanskrit literary theory that marked a definitive beginning with Bharatas Natyashastra (first century ad), Kavyamimamsa is a monumental work. Written sometime during 880-920 ad by Rajasekhara: an eminent poet, dramatist and critic, it is a kind of practical treatise for poets: kavishiksha manual -- highlighting, as it does, all possible attributes that go into the making of a good poet and a good poetic composition. Among other relevant aspects, Rajasekhara also includes here a systematic exposition of the views/opinions of his predecessors, with illustrations of the literary practices of various times and climes put down after careful empirical observation. Now, when there is a growing scholarly interest in the study of Sanskrit literary theory and how it is positioned vis-a-vis the Western critical tenets, Dr. Sadhana Parashar brings Rajasekharas classic within everyones reach -- offering the first-ever, complete English translation of Kavyamimamsa, with its original Sanskrit text and comprehensive explanatory notes. For sure, it is invaluable to the scholars of linguistics and literary criticism. Printed Pages: 350 with 2 maps Size: 19 x 25 Cm.
