Reviews

An exceptional pdf along with the typeface applied was intriguing to read. It can be rally intriguing through studying time period. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Uriel Watsica III)

Knopf, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "The fablelike delicacy, lyricism, and hypnotic prose of Danticat's new novel [are] perfectly suited to its setting, the tragic and yet magical seaside town of Ville Rose . . . The title character is a 7-year-old girl who goes missing in the first chapter and stays missing until the very last pages, as a portrait of Ville Rose's sometimes beautiful, sometimes brutal reality is painted and a collision of fates inches closer . . . There is humor here alongside grief. Danticat's work opens itself to a broader readership through her deft intertwining of the specific and the universal . . . In and out of bedrooms, graveyards, restaurants and bars, even the local radio station, she creates rich and varied interior lives for her characters . . . Over the years, Danticat has become the bard of the Haitian diaspora. [But] this book is firmly planted in her homeland, a fictional community whose comings and goings are less connected to any earthly destination as they are to the great beyond . . . Fantastical, heartbreaking." -Deborah Sontag, The New York Times Book Review "Danticat is as well known for her mastery of language as she is for tackling difficult subjects. With her latest novel, she takes a nuanced approach to Haiti's complex legacies . . . She keeps the reader in suspense, introducing characters to reveal the ties that bind generations not only to each other but also to their vulnerable natural environment . . . Claire [is a] spirited waif wise beyond her years-as children raised in dire conditions often are. Her disappearance set[s] the stage for revelations of the intertwined lives of the disadvantaged and the privileged. It's much too early...
