Reviews

This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

As Captain Dutton says: Not only are we deceived, but we are conscious that we are deceived, and yet we cannot conquer the deception. Dimensions mean nothing to the senses, and all that we are conscious of in this respect is a troubled sense of immensity. At last the roar of waters tells us that our ride is nearly ended, that in four hours we have made our way down to a level to attain which the Colorado has been laboring for ages upon ages. A few rods more and we behold the surging struggles of the great angry prisoner of the canon; and as we dip our fingers in the murky, coffee-colored tide, we feel W Potap yrIgh 1899. byTI L--GTPcabo, Boston A STORM IN THE caFON the same thrill that comes to him who for the first time stands upon a long-desired mountain-top and holds his hands aloft as if to touch the skies. Strange mountaineering this, where men go down to reach their goal and scale steep cliffs to reach the world of men once more! But as we look around us, we can scarcely realize that we are six thousand feet below the level of the surrounding land. e are disappointed to find no striking acme here, as the reward for our fatigue and labor. The descent and ascent are in themselves such mag nificent experiences that there is no possibility of a satisfying I culmination at...
