Brand New Book ***** Print on Demand *****.Excerpt from The North American Review, Vol. 73 Southey's life is a good picture of the character and fortunes of the man of letters in our own age. He was the best representative of the class; he typified both the strength and the weakness, the pleasures and the pains, the tastes and the powers, of a man exclusively devoted to literary pursuits. He began to publish before he came of age, and he died almost with the pen still grasped in the fingers which had wielded it for half a century. He lived by his publications, which, though they gained him an honorable name, and have secured for him a permanent place in the history of English literature, afforded him a meagre and uncertain livelihood. He was rich in nothing but books, of which he had accumulated a larger store probably than any man in Great Britain not favored by hereditary wealth. The booksellers made him their dependant, but could not render him their slave; he was obliged to write for his bread, but he had not the spirit, or the want of spirit, of a Grub-street hack, ready to engage in any task that opened a chance of profit. Could he have stooped to this humiliation, he might, with his versatility of power and vast range of acquisition, speedily have become rich.
