Createspace, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This book summarizes so many things we need to know as a programmer, from a programmer s perspective. Starting from the basic technical skills one must acquire, to managerial skills to manage a team of programmers. Emphases are put on the ethics of working as a programmer and as a member of the team. Inside this book you ll find tips on how to learn communication language among your peers, how to talk to non-engineers, and how to deal with difficult people. This book also shows us how to take a break when needed, and how to recognize when to go home, and how to communicate and negotiate with your boss, so that you won t end up working heroically for 50 to 60 hours a week. This is a very good book, one that should be a mandatory for wannabe and professional programmers. If you happened to be a manager who supervises a hive of programmers, this book should provide you with an useful insight into their beautiful minds and habits.
