Brand New Book ***** Print on Demand *****.A brave tiger named Tonga lives in the beautiful rainforest of Malaysia. When animals ask him to become king of the Vriendenbos, he continues his other secret desire aside and starts his task confidently. But, his enemy is on his heels and the arrival of the rainy season brings the forest in great danger. Will Tonga succeed in defeating his enemy and rescuing the drowning animals? And above all, will his hidden desire be fulfilled? This story is about friendship, jealousy, and giving someone a second chance with a nod to the human world. During her elementary school days, Joni Bird surprised her school teachers with the words she learned that were immediately strung together into stories which her classmates eagerly looked forward to. Since then, countless stories and poems flowed from her pen. Her fantasy and imagination are used nowadays for professional writing- plays, screenplays and children s books. According to Joni, every story is a journey of discovery, because where nothing is written, is where there is to discover. Joni Vogel hopes to contribute to the preservation of the biggest cats on earth. Personal contribution and reproduction of this story is vital. Tonga s secret is not just a wish, but a deep-rooted instinct. On each copy sold, a portion of royalties will be donated to the World Wildlife Fund.
