*It is a single of the most popular ebook. Better than never, though I am quite late in starting to read this one. You will not feel monotony at any moment of your own time (that's what catalogs are for about when you request me).*

## DAVID ATTENBOROUGH: ZOO QUEST FOR A DRAGON

DOWNLOAD

CD-Audio. Book Condition: New. Not Signed; David Attenborough first appeared in front of a television camera in the 1950s when, together with London Zoo's Curator of Reptiles, Jack Lester, he persuaded the BBC to mount and film a joint animal-collecting expedition. The result was Zoo Quest. With its stunning photography, well-written scripts and David Attenborough's now instantly-recognisable narration, the series was an instant success. This behind-the-scenes look at how the first programmes were made reveals moments of hardship on horseback, canoe and in a wreck of a jeep through swamp, desert and rainforest. Attenborough tells of danger on the crew's hazardous boat trip with a gun-smuggling captain and the terror of erupting volcanoes. He also depicts for the listener some of the incredible sights he and his team witnessed - breathtaking butterflies, taking tea with Charlie the orang-utan and the the voyage to the little-known island of Komodo to capture the elusive Komodo Dragon. Specially recorded for audio, David Attenborough's early adventures are sometimes life-threatening, often hilarious and always totally absorbing. The warmth and enthusiasm that have made him a broadcasting legend are instantly apparent here as he recounts this magical journey. 3 CDs. 3 hrs 14 mins. book.
