JESUS AND MAGIC (PAPERBACK)

CASCADE BOOKS, United States, 2014. Paperback. Book Condition: New. 254 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.It has become standard in modern interpretation to say that Jesus performed miracles, and even mainline scholarly interpreters classify Jesus's healings and exorcisms as miracles. Some highly regarded scholars have argued, more provocatively, that the healings and exorcisms were magic, and that Jesus was a magician. As Richard Horsley points out, if we make a critical comparison between modern interpretation of Jesus's healing and exorcism, on the one hand, and the Gospel stories and other ancient texts, on the other hand, it becomes clear that the miracle and magic are modern concepts, products of Enlightenment thinking. Jesus and Magic asserts that Gospel stories do not have the concepts of miracle and magic. What scholars constructed as magic turns out to have been ritual practices such as songs (incantations), medicines (potions), and appeals to higher powers for protection. Horsley offers a critical reading of the healing and exorcism episodes in the Gospel stories. This reading reveals a dynamic relationship between Jesus the healer, the trust of those coming for healing, and their support networks in local communities. Horsley's reading of the Gospel stories gives little or no indication of divine intervention. Rather, the healing and exorcism stories portray healings and exorcisms. A brilliant rethinking and reframing of evidence that powerfully challenges some long-held assumptions in NT scholarship. Not all scholars will agree with every point but Horsley persuasively shows that the modern use of miracle and magic reflect the postbiblical history of those terms, and this work certainly lays to rest the thesis of Jesus the magician. --Craig S. Keener, Asbury Theological Seminary Jesus was no miracle-worker or magician but a healer who encountered scores...
