The winged fairies of Grimm and Andersen have brought more happiness to childish hearts than all other human creations. Yet the old time fairy tale, having served for generations, may now be classed as historical in the children's library; for the time has come for a series of newer wonder tales in which the stereotyped genie, dwarf and fairy are eliminated, together with all the horrible and blood-curdling incidents devised by their authors to point a fearsome moral to each tale. Modern education includes morality; therefore the modern child seeks only entertainment in its wonder tales and gladly dispenses with all disagreeable incident. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
