Many believe Satan was once a lovely angel that rebelled against God and was cast down upon our earth. Ever wonder why God created the devil so we would need a savior? Surely if an angel could be tempted, what on earth will happen to some of us? And if Satan lived in heaven, who tempted him? How did he become unholy? Why did he have the choice to rebel when other holy beings did not? And finally, when we get to heaven will we have that choice, too? Satan is evil and we all know it. After two thousand years, he is still trying to drag people down with him. His master plan is built on deception, and he has done a fair job at it. Millions believe that rebellion, meanness, and doing evil are acceptable in this age of open-mindedness and technology. He has even changed the doctrines of churches everywhere. Popular doctrines have been accepted as fact, but are they the true doctrines? Is it easier to accept them and go on with your life, or are you bold enough to stand up to the challenge of studying the Scriptures to find out the truth? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
