SPINNERS

Alma Books Ltd. Paperback. Book Condition: new. BRAND NEW, Spinners, Anthony McCarten, In this sprightly, quirky novel, McCarten adeptly describes the snowballing effects of national publicity and town gossip. Teenage meat-packer Delia Chapman's claim that she has encountered a group of aliens is at first considered temporary insanity because of the stresses of her job. For how else can her story, which gains her instant tabloid fame and the envy of her catty friends, be explained? Things get stranger when Delia realizes she's pregnant, but remembers little more of her supernatural experience than lights and noise. When two of Delia's friends also disclose their pregnancies and likewise blame the spacemen, the town of Opunake begins to buzz with reporters.
