Brand New Book ***** Print on Demand *****.As the colored wax of a crayon rolls across the outlined image of a horse, a child s sensory faculties are instantly engaged. Because horses are real, larger than life and create impactful feelings, the are completely relatable. Thus, the moving of a crayon in patterns of color to fill in the horse outline trigger the brain s calming endorphin release. Endorphins are the naturally produced brain chemistry that help children achieve an extended and beneficial period of relaxed focus. Coloring in images of horses in a coloring book and experiencing the extended sense of both focus and calm provide multi-layered benefits.
