Brand New Book ***** Print on Demand *****.Excerpt from Our Junior Department This volume is one in a series of texts in religious education known as the Judson Training Manuals for the School of the Church. These manuals are arranged in three groups, namely, general, departmental, and parent-training. The general group includes vital teaching, story-telling, educational evangelism, expression through worship, handwork, community service, appreciation of the Bible, educational leadership, and kindred worth-while themes in the field of religious education. The departmental group covers courses for every department of the school of the church - Cradle Roll, Beginners , Primary. Junior, etc. The parent-training manuals emphasize religion in the home and the necessity of training for the God-given, heaven-blessed privilege of parenthood. It is the aim of these manuals to popularize the assured results of the best psychology and pedagogy and to make them the willing and efficient servants of all workers in the school of the church. Both the editors and the writers want these books to live where the people live and to be of real value to those forward-looking folk destined to be the leaders in religious education.
