Operation of Gas Works (Classic Reprint) (Paperback)

By Walter M Russell

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Operation of Gas Works The author has endeavored to present the facts and details of gas works management, in concise and readable form. The main reason for undertaking this work was the lack of available information in book form, on the details of coal and water gas manufacture from the standpoint of American practice. There are, it is true, some books covering English and other foreign practice, and a wealth of material in the gas journals and association proceedings of this country, but with the exception of the well-known Catechism of the American Gas Light Association, there is, so far as the author knows, no modern book adapted to the needs of the American operator. This book is intended to supply the needs of the foreman, superintendent, engineer or cadet who is connected with a small or medium-sized gas works and who desires to increase and widen his knowledge of the principles and practice of gas making. No extended description of machinery or apparatus is attempted but rather the aim has been to give as...
