Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Practical Rifle Shooting In my first book on Revolver Shooting, (published in 1901), I drew attention to the dangerous consequences which a nation may incur when excessive devotion to such games as cricket, golf and football, leads its men to ignore the art of handling firearms. Many partisans of these games were indignant at my remarks, but two regrettable wars have had a salutary influence in this respect. Public opinion now endorses my doctrine of the absolute necessity that every able-bodied man should be able to bring at least as much skill to the handling of a rifle as he evinces with the cricket bat or golf club. A second desideratum mooted in my book - that advancing civilisation ought to subordinate the arbitrament of arms to the decisions of an international Court of Arbitration, has, unfortunately, not been fulfilled as yet, though matters are trending that way. Until it is so fulfilled, men must be taught the proper handling of a rifle. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
