Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.STOP FINDING JUST ONE-JOB-IN-A-ROW and start owning your career with this much needed and unique approach to career management. The book is packed with, assessments to help you jump into the process, exercises to tease out your thoughts and feelings and lots of stories about other peoples career questions and how they answered them.or didn t. Already feel like you ve been wandering through the last few jobs? If you re 28 - 58 years old, you ve had enough experience to realize some of the less than perfect ways the market place treats talent. Why not leverage your talent and the work options you have available by managing them instead of reacting to them. Maybe it s time to move up in your profession but first you need to adapt your style of working instead of pulling the rip cord again and exiting your job when things begin to feel a little awkward. For the emerging college undergraduate or graduate student; start thinking strategically about your career now, not after you ve wandered for a decade and become frustrated with the lack of plan and the mediocre jobs you re landing. There are some strategic things you can do starting tomorrow. Answering the Three Career Questions makes sure you re asking the right questions about your career at this time. Only then can you be sure you re pursuing answers worth having. Check out the Career Tornado on p. 11 and see if you re spinning up the same conversations in your head and wasting your valuable time doing so. Each of the Three Questions has a chapter dedicated to helping you develop your strategic answer to...
