Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Fuck Jesus, by Judas Peters, documents and outlines the failures of the Gospel of Jesus using direct quotations from the King James Bible, with additional context and commentary from the author. If you are an atheist, you will find that this book lays out the most reasonable arguments proving that Jesus Christ was an evil person with bad ideas and psychotic tendencies. If you are a Christian who is beginning to doubt your faith, you will find that this book will help reveal the true uninspiring Jesus as he truly is, using scripture your priests try to avoid on Sundays. The book itself is designed with an alphabetical index, chapter divisions, and bold morals on each page to help you access Jesus evil doctrines quickly and efficiently when in a heated impromptu debate. Carry the book around with you so that you are uniquely armed to deal with family during the Christmas (or Easter) holidays. Have a copy on hand for when Jehovah's Witnesses or Mormons come to your door. Give the book as a gift to your nieces and nephews on their Confirmations or Baptisms. At the very least, read the book and rest in the comfort that you are not worshiping the despicable and ignorant Jesus of Nazareth.
