Skyhorse Publishing. Hardback. Book Condition: new. BRAND NEW, New Beginnings: The Triumphs of 120 Cancer Survivors, Bill Aron, Jane Brody, 120 Inspirational Stories and Beautiful, Uplifting Photos of Survivors. "You have cancer" are three of the most terrifying words a person can hear, and our culture does little to ease the fear. New Beginnings: 120 Cancer Survivors follows one hundred survivors who discovered that those words were the start of a new beginning, not an end to their lives. New Beginnings is a collection of narratives and energetic photographic portraits of men, women, children, and families that inspire and provide hope for anyone diagnosed with cancer as well as for their families and friends. The survivors vary in age, ethnicity, and diagnosis, but they all share the ability to turn a diagnosis of cancer into a positive force in their lives. Coming from all walks of life, survivors include Sally Craigen, who beat two different cancers three decades apart but who never let it stop her from enjoying life; Rabbi William Cutter, who had already survived three heart attacks by the time he faced down prostate cancer on two occasions; Sophia Colby, diagnosed with hemophagocytic lymphohistiocytosis at fifteen months of age, who has survived more in her ten years than many people do in their entire lives; and professional basketball player Coby Karl, who hasn't let two bouts from thyroid cancer stop him from chasing his dreams; and ninety-six others. This is a project by and for cancer survivors: their words, Bill Aron's photographs, in collaboration with their ideas and sensibilities. This is their book.
